STUDENT AFFAIRS UPDATE

Dr. Janice Haynie, Vice Chancellor for Student Affairs, gave an update on the Division of Student Affairs. She asked Ms. Helene Cameron to share some information about the recent activities of the Office of Career Services. In June, Career Services began the process for FSU to participate in the Johnson & Johnson Be Vital Hire event. After the vetting process, four students were invited to go to Atlanta in October to interview. One of those students, Ms. Kellee Herbert, talked about the outcomes of her experience. She received a call with an offer to start work with Johnson & Johnson in June 2011, one month after she graduates.

Ms. Juanette Council spoke about FSU's participation in the Thurgood Marshall Leadership Institute in New York City. This conference is the premier recruitment conference for HBCU's. After the interview process, nine students were selected to attend. Three of those students, Brittany Harrison, Jermaine Pittman, and Ebony Joyner, shared their experiences from the trip. Mr. Pittman received an internship and a job offer upon graduation, as well as a $1,500 scholarship. Ms. Harrison and Ms. Joyner both interviewed with several companies and are hoping for job offers as well. Another student, Christopher Williams, was offered a full-time position with Altria and will become a regional manager upon graduation.

Mr. Rodney O'Neal from the Center for Community Justice introduced Mr. Carlos Swan. Mr. Swan, a senior Business Administration major, won a statewide community impact student award. He received the award for making significant, innovative contributions to FSU's efforts to address local community needs.
