A checklist of things to begin doing at least FOUR MONTHS (120 days) before retiring.

☐ Make an appointment with the Benefits Office to complete the following:

1. Claiming Your Monthly Retirement Benefits - Form 6,
2. Retiree Group Health Insurance Enrollment Form - Ret HM,
3. Authorization for Direct Deposit – Ret 170,

**NOTE:** All forms must be completed at the same time and mailed to TSERS together. Otherwise, TSERS will not process the retirement application. A benefits exit interview will be conducted at this time as well.

☐ Upon receipt of the completed retirement application, TSERS will notify you at your home address, that the application has been received.

☐ Next correspondence received will be from TSERS one month to days after the effective date of retirement. This correspondence includes the amount of your estimated monthly retirement benefit and asks you to elect a Payment option.

☐ The Payment option election needs to be returned to TSERS by the 10th of the month in which your retirement is effective. For example, if you retire July 1, the election form should be returned no later than July 10th.

☐ Prepare letter of resignation. Letter may be submitted to your supervisor at anytime during the months leading up to retirement; however, it is recommended that you give at least a two week notice. Human Resources will need a copy of your resignation letter as soon as it is submitted.
