# **Brief Description**

North Carolina State University, in its second century of service, is a national center for research, teaching, extension and engagement in the sciences and technologies, in the humanities and social sciences, and in a wide range of professional programs. This major research land-grant university offers degrees at the baccalaureate, master's, intermediate, first professional and doctoral levels in 125 fields of study. Academic programs are organized into the Graduate school and 10 colleges (Agriculture & Life Sciences, Design, Education, Engineering, Humanities & Social Sciences, Management, Natural Resources, Physical & Mathematical Sciences, Textiles and Veterinary Medicine). Freshmen may also enroll in First Year College. North Carolina State University is committed to equality of opportunity and actively recruits students, faculty, and staff of color.

### **History**

Founded in 1887 as a land-grant college. Originally designated North Carolina College of Agriculture and Mechanic Arts. Name changed to North Carolina State College of Agriculture and Engineering in 1917. Merged with the University of North Carolina in 1931. Renamed North Carolina State University at Raleigh in 1965.

#### Location

West of downtown Raleigh, the capital of North Carolina. With a population approaching 300,000, the city of Raleigh is the largest in a million-plus metropolitan area which includes the Research Triangle Park.
